

Ceremony for the degree of Sublime Knight or Sage Theosopher, 77°

Studies the religious Myths of the different ages of humanity and admits the most hardy Theosophical studies. It develops the Mystic and transcendant parts of Masonry, including those historic dogmas that have an eternal germ of perpetuity. There is no change in the Universal law, Life and death are imposed on all Nature, but destruction leads to regeneration. Sublime conceptions of the ancients upon God and Nature, and upon the origin of creation, and the human Spirit.

Allegory of a pyramid above which is a Sun.
